Title: A Gift for Vidish

Author: Fiona d'Rue

Vidish,

I was so impressed with  
how much you have  
learned of the Human  
language that I decided to  
make you this "Orc to  
Human: Quick Language

Translation" book to help  
further your education. I  
admire your dedication to  
learning and hope you find  
it useful.
